THE GAZETTE OF INDIA : EXTRAORDINARY

[PART III—SEC. 4]

The Telemedicine Guidelines were Notified and Gazetted on 14th May 2020

New Delhi, the 12th May, 2020

No. MCI-211(2)/2019(Ethics)/100659.— In exercise of the powers conferred by Section 33 of the Indian Medical Council Act, 1956 (102 of 1956), the Board of Governors in Supersession of the Medical Council of India with the previous sanction of the Central Government, hereby makes the following Regulations to amend the “Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002:-

1. (i) These Regulations may be called the “Indian Medical Council (Professional Conduct, Etiquette and Ethics) (Amendment) Regulations, 2020.”

(ii) These regulations shall deemed to have been effective from 25th March 2020 which is the date on which the Central Government has accorded approval to these Regulations.

2. In the “Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002”, the following addition shall be made:-

Guidelines for Practice of Telemedicine in India

How to Do a Safe Telemedicine Consultation?

FOLLOW THE SEVEN ELEMENTS IN THE GUIDELINES

1. Context
2. Identification of RMP and Patient
3. Mode of Communication
4. Consent
5. Type of Consultation
6. Patient Evaluation
7. Patient Management

Courses by Telemedicine Society of India

Dear General,

1. Refer your letter No. TSI/2020/020 dated 19 May 2020.
2. I would personally like to thank and appreciate all the hard work and diligent efforts being put in by the Team TSI for successfully organizing the orientation training to AFMS officers on Telemicine Practice Guidelines which definitely is the need of the hour in this COVID Scenario.
3. The session organized on 06 Jun 2020 saw an overwhelming response from the AFMS doctors who joined in from across the length and breadth of the country. Needless to say that the training session was very fruitful with all the attendees gaining enormously from the vast knowledge and experience of the speakers.
4. Looking forward to more such fruitful associations in future.

*The warm gesture of training doctors of
the AFMS is highly appreciated
Best wishes & warm regards
Yours sincerely,
Mkanitkar*

Feedback -Overall Rating – 4.7 / 5

<https://tsi.org.in/learn/>

Feedback from the participants

Excellent presentations with greater clarity and quality of the training content and the speakers, moderators and the panel members are very much successful in conducting the sessions and reached the expectations of the participants. And the platform support is also excellent.

Dr Venkata Raman E

Need of the hour. Benefitted immensely from collective knowledge of experts in the field.

Dr Chiranjit Noatia

Presentations: Contents – useful and practical.
Easy to implement
Quality of Presentations: Excellent
Quality of Audio-Visuals: very good
Communication and connectivity: Good

Joseph Noah

Very informative. Conducted in a very nice manner. Will be very helpful. Thank you.

Dr. Satya Shiva Munjal

Thank You
